What are the levels of  
stud

All of these modules are offered at level 6

2.5 months after final osce, this may be important if wanting to undertake the January Non medical prescriber module)

What are the credit ratings for each course?

Physical assessment  
Level 6 (introduction) is a 15 credits module NSA35

Do you accept self  
funder

module

medical prescriber course must have completed a certificated physical assessment course (or our Minor Illness course). This can be undertaken at any level (6 or 7) As part of the NMP course you currently complete a portfolio so you may feel it beneficial to complete one of our 15 credit physical assessment modules so that you don't complete two portfolios in close succession.

What preparation should I undertake before the module

Ensuring you have a good understanding of anatomy and physiology will be helpful before undertaking the clinical courses, we will give you a free reading book (electronically) as well as a
